Your coach will both support and both challenge you throughout your 7 month leadership journey. Sessions are approximately up to an hour and can be face to face, telephone or via skype.

Workplace Project

The workplace project gives new and emerging leaders the opportunity to embed their learning and put their new knowledge into practice.

Leadership Webinar Series

Throughout your leadership journey you will have the chance to join with your fellow participants interesting and useful webinars to further equip you as a leader. The Webinar format enables maximum learning with minimum time out from your workplaces.

Interactive Leadership Panel

The Interactive Leadership Panel will be made up of leadership experts and leaders from organisations both within and outside the community sector. The panel members will offer their insight into leadership.
